

MASTER SERVICES AGREEMENT

This Master Services Agreement (“**Agreement**”) is made and entered into this [REDACTED] day of [REDACTED] 2015 (the “**Effective Date**”), by and between **CCI Paradox Upstream LLC**, a Delaware limited liability company (“**CCI**”) and [REDACTED], a [REDACTED] (“**Contractor**”). CCI and Contractor are collectively referred to herein as the “**Parties**” and sometimes individually referred to herein as a “**Party**.” Terms not defined in the body of this Agreement are defined on **Exhibit A** attached hereto.

For and in consideration of the mutual covenants and agreements contained herein, Contractor and CCI agree as follows:

1. NATURE OF BASE AGREEMENT/STATEMENT OF WORK

1.1 Base Agreement: This Agreement shall act as a base agreement under which the Parties can enter into multiple specific transactions by executing a Purchase Order made by CCI, a form of which is attached hereto as **Exhibit B**, or another form previously approved or accepted by an authorized representative of CCI. At any time and for any reason, CCI may submit to Contractor proposed changes or additions to and/or deletions from the Work covered by any Purchase Order, and no such changes, additions or deletions shall become effective or paid for by CCI unless via a Change Order authorized by CCI in advance in writing. This Agreement (including all exhibits listed below), the individual Purchase Order(s) and any related Change Order shall form a single integrated agreement between the Parties. Any conflict or inconsistency between the terms and conditions of this Agreement, a particular Purchase Order and/or a Change Order shall be resolved in favor of the terms and conditions of the documents in the following order: this Agreement first, the Change Order second, and the Purchase Order third. The Parties agree that the sole purpose of any such Purchase Order and/or Change Order or other any other instrument furnished or utilized by Contractor or CCI in connection with the Work is limited to describing specific Work to be performed and/or provided (including the applicable rate/compensation for such Work), and any other language or provision in any such instrument that purports to expand, limit, modify, waive or otherwise define the rights or duties of the Parties shall be null and void *ab initio*, and shall not be binding on CCI or Contractor.

For reference purposes, the following is a listing of the exhibits to this Agreement:

- Exhibit A** – Definitions
- Exhibit B** – Purchase Order Form
- Exhibit C** – CCI’s Minimum Contractor Safety Requirements
- Exhibit D** – Insurance Requirements for Contractor
- Exhibit E** – CCI’s Non-Discrimination and Harassment Policy

1.2 Acceptance of Purchase Order: Contractor’s acceptance of CCI’s Purchase Order shall be accomplished by the earlier of execution of the Purchase Order or commencement of Services or shipment of any Product specified in the Purchase Order.

2. TERM

The term of this Agreement shall begin upon the Effective Date, and will continue in effect until terminated, as provided herein, by either Party. Purchase Orders shall be for a term or for specific Work as specified therein and shall continue in effect until completion of the Work or termination by CCI pursuant to Sections 17.3, 17.4 and/or 17.5.

3. COMPENSATION, INVOICING AND PAYMENT

- 3.1 Compensation:** Contractor shall receive the compensation agreed to in the applicable Purchase Order.
- 3.2 Invoicing:** Contractor shall invoice CCI on or before the fifteenth (15th) day of each month for Work performed by Contractor during the prior month. All invoices shall: (a) refer to the applicable Purchase Order number and (b) include sufficient line item detail and supporting documents for CCI to reasonably verify the basis of the charges, including quantities and pricing.
- 3.3 Payment:** Payment terms are net 30 days from the date the invoice is received unless otherwise specified in the Purchase Order.
- 3.4 Dispute:** In the event of a dispute or question regarding any invoice submitted by Contractor: (a) all amounts not disputed or in question shall be promptly paid as and when required by this section; (b) CCI shall promptly transmit to Contractor a written explanation of the dispute or question; (c) CCI and Contractor shall immediately seek to resolve the dispute or question; and (d) payment of any remaining amount shall be made within thirty (30) days of when the dispute or question is resolved according to Section 22. Contractor may charge and accrue interest on any past due amounts (other than disputed amounts or amounts in question as described herein) at the lesser of 1% per month or the maximum rate permitted by law. During the term of the dispute, in no event shall Contractor stop or suspend the Work as long as CCI is paying undisputed invoice amounts in accordance with this Section 3.
- 3.5 Return of invoice:** Return of any invoice to Contractor for any reason not attributable to CCI's fault including, without limitation, improper invoicing by Contractor, will extend the discount period (if applicable) and the payment period so that it commences on the date CCI subsequently receives a proper invoice.
- 3.6 Transportation charges:** Transportation charges paid by Contractor for CCI's account must be shown separately on invoices, and Contractor shall provide supporting documentation for such charges with each invoice.

4. INDEPENDENT CONTRACTOR

This Agreement is made with the express understanding that Contractor is an independent contractor. This Agreement is a contractual relationship, and nothing contained herein shall be construed or applied to create the relationship of employer and employee or principal and agent or master and servant between CCI and Contractor or any of Contractor's Subcontractors, their employees or other personnel. Neither Contractor, its Subcontractors nor any of their employees or other personnel are authorized to act or appear to act as agents or representatives of CCI, whether in performing the Work or otherwise. Any provisions of this Agreement or any Purchase Order which may appear to give CCI the right to direct Contractor as to details of performing any Work, or to exercise a measure of control over Contractor's performance of the Work, shall be interpreted to mean that Contractor will follow the instructions of CCI with respect to the results of the Work achieved only and not in the means whereby the Work are to be accomplished. Contractor shall have complete and authoritative control as to the details of performing the Work and shall control all indicia of employment with respect to its staff including being solely responsible for compliance with any obligations that might arise out of any employer-employee relationship that may exist between Contractor and its staff as well as such other obligations as are set forth in Section 10.2. All Work contemplated hereunder, however, shall meet the approval of CCI and shall be subject to the general right of inspection. Nothing in this Agreement shall be construed or interpreted to create a partnership or joint venture between CCI and Contractor.

5. PERFORMANCE OF WORK

5.1 Conditions of CCI's property: Contractor will make a reasonable inspection of the surface and subsurface at each Site and shall notify CCI in writing of any hazardous or unusual conditions identified prior to commencement of any particular Work. CCI will notify Contractor of any known surface or subsurface hazardous or unusual conditions at each Site prior to commencement of any particular Work, it being recognized by the Parties that conditions normally encountered at an oil and gas wellsite (whether on the surface or below surface) are not considered "hazardous or unusual" for purposes hereof. CCI makes no representation as to any conditions at any CCI Site, and Contractor agrees to rely solely on Contractor's own examination and investigation of the surface and subsurface conditions at such Sites.

5.2 Applicable Laws: Contractor shall observe and abide by all Applicable Laws. **CONTRACTOR FURTHER AGREES TO INDEMNIFY, DEFEND AND HOLD CCI HARMLESS FOR, FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM AN ASSERTED OR ESTABLISHED VIOLATION OF SUCH APPLICABLE LAWS BY THE CONTRACTOR AND ITS SUBCONTRACTORS.**

5.3 Contractor's responsibility for materials, personnel, etc.: Contractor shall furnish all materials, labor, supplies, tools, equipment, facilities, services and transportation necessary to perform the Work. All personnel furnished by Contractor shall be duly qualified and experienced in their respective capacities. All tools and equipment provided by Contractor shall be repaired and maintained by Contractor at its cost. Contractor shall examine all equipment, machinery, tools, or other items furnished by CCI at Contractor's request that are employed in the Work or that would reasonably come to Contractor's attention during the course of the Work performed hereunder. If apparent defects are found therein sufficient to make the use of such items unsuitable or unsafe, Contractor shall immediately notify CCI. All CCI tools and equipment provided by CCI to Contractor shall be repaired and maintained by Contractor at its cost.

5.4 Contractor shall not encumber the Site: Contractor shall confine its materials and equipment and the operations of its workers to the limits indicated by CCI, and shall not unreasonably encumber the Site. Contractor shall keep stored material in good order, the Site free of rubbish and surplus material, and shall, in accordance with Applicable Laws, remove all rubbish and waste material caused by an operation under its charge.

5.5 Timely and workmanlike performance of Work: Contractor shall immediately notify CCI, in writing, of any event or circumstance that may, immediately or in the future, impede the proper and timely execution of any Work so that remedial action, as is appropriate under the circumstances, may be taken. If at any time, Contractor fails to perform the Work: (a) in the manner set forth in this Agreement and/or the applicable Purchase Order; (b) in a good and workmanlike manner and in accordance with accepted industry practices for such Work prevailing at the time and place where the Work is being furnished; or (c) at the specific times as may be subsequently agreed to, then Contractor shall, immediately upon the request of CCI and at no additional cost to CCI, take all necessary steps, including: (i) the replacement of defective equipment; (ii) the provision of additional equipment and/or labor; (iii) the institution of changes in method and manner of performance; and (iv) other measures as required so to perform. The request by CCI of such measures shall be without prejudice to any other rights or remedies CCI may have under this Agreement or at law.

5.6 Monitoring of Contractor's Work: Contractor shall provide to CCI the ability to monitor Contractor's Work under this Agreement. Contractor shall provide CCI the right to inspect, at any reasonable time, Contractor's operations and facilities including tools, equipment, materials, services and inventory thereof. Inspections or failure to report any deficiency noted therein shall not diminish Contractor's obligations hereunder or constitute a waiver of any CCI rights hereunder.

5.7 Monthly Reports: If the Work being performed under a Purchase Order takes longer than thirty (30) days to complete, Contractor shall, upon CCI's request, furnish written monthly reports to CCI on or before the first day of every month concerning the status of the Work and the results of the activities of Contractor under the applicable Purchase Order(s). The form and format of said report shall be as directed by CCI.

5.8 Smoke-free Site: CCI has banned smoking in all its buildings and vehicles. Smoking is permitted out-of-doors in designated smoking areas only. All Contractors and their Subcontractors are required to comply with this policy and, by Contractor's execution of this Agreement, Contractor agrees to abide by and enforce the same.

6. SUBCONTRACTORS

Contractor shall be entitled to retain Subcontractors necessary to assist Contractor in performance of the Work, upon CCI's prior written approval. The creation of any Subcontractor relationship shall not relieve Contractor of any of its obligations under this Agreement. Contractor shall be fully responsible to CCI for the acts and/or omissions of any Subcontractor it hires, or any subcontractor hired by its Subcontractors, as if Contractor itself had acted or failed to act. **CONTRACTOR SHALL FULLY RELEASE, DEFEND, INDEMNIFY AND HOLD CCI HARMLESS FOR, FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM THE PERFORMANCE OF THE SERVICES OR ANY OTHER ACTIVITIES OF SUCH SUBCONTRACTOR AND ITS SUBCONTRACTORS.**

7. SAFETY REQUIREMENTS

7.1 Compliance: In performing all Work under the Agreement, Contractor shall (i) fully comply with all Applicable Laws pertaining to safety, health, and the environmental, (ii) fully comply with of CCI's Minimum Contractor Safety Requirements of CCI as set forth in **Exhibit C**, attached hereto, (iii) provide its employees with appropriate safety, health, and environmental training (especially with respect to the identification, handling, labeling, packaging, loading, transporting, unloading, storing, and disposal of hazardous or otherwise dangerous substances), (iv) provide its employees with appropriate, functioning safety equipment, (v) ensure that its employees use the provided safety equipment at all times in a proper and safe manner, and (vi) ensure that its Subcontractors comply with the requirements of this Section 7.1. Contractor represents and warrants that it has established, and shall continue to maintain, an appropriate safety and environmental program in compliance with industry standards and Applicable Law which shall include the training of personnel in operational aspects of their functions and the establishment of a program to instill in each individual at the Site a conscious desire to conduct safe and pollution-free operations. Contractor warrants that each of its employees and other personnel brought to the Site have received or shall receive immediately upon arrival sufficient training to be able to utilize and operate properly all safety equipment at the Site. Contractor also warrants that it has trained all of its employees and other personnel brought to the Site to perform their assigned work in a safe and competent manner. When Contractor's employees and other personnel report to the Site, they shall immediately familiarize themselves with any posted safety and environmental rules of CCI, emergency procedures and other safety and environmental requirements. Should Contractor engage any Subcontractor to perform Work at any Site, Contractor warrants that the Subcontractor has complied or shall comply immediately upon arrival with the safety and environmental requirements set forth in the Agreement.

7.2 Safety Requirements: Contractor represents and warrants that it has fully read the Minimum Contractor Safety Requirements and fully understands them. If at any time during the term of this Agreement CCI changes or modifies the Minimum Contractor Safety Requirements, CCI may insist that Contractor execute the revised Minimum Contractor Safety Requirements for the continuation of the Work by Contractor. If Contractor refuses to execute such revised Minimum Contractor Safety Requirements, then CCI may treat Contractor as if it has failed to comply with the Minimum Contractor Safety Requirements and CCI shall have the right to immediately terminate this Agreement and/or any outstanding Work for cause upon notice to

Contractor. **CONTRACTOR SHALL FULLY RELEASE, DEFEND, INDEMNIFY AND HOLD CCI HARMLESS FOR, FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM CONTRACTOR'S (AND ITS SUBCONTRACTORS') BREACHES OF CCI'S MINIMUM CONTRACTOR SAFETY REQUIREMENTS.**

7.3 Substance Abuse Testing and Background Testing Requirements: Contractor represents and warrants that it has established, and shall continue to maintain, a substance abuse and testing policy in compliance with industry standards and Applicable Law. CCI shall have the right to immediately terminate this Agreement and/or any outstanding Work for cause in the event CCI determines, in its sole discretion, that Contractor's substance abuse and testing policy is not in compliance with industry standards and Applicable Law. Contractor agrees further that any of Contractor's employees or any other staff assigned by Contractor to provide Services at a CCI Site shall be subject to a background check to be conducted by and at the expense of Contractor, the results of which must confirm, prior to placement, previous education and work experience as well as an absence of prior criminal convictions.

7.4 CCI Right to Audit Contractor's Safety and Drug Programs: Contractor must be pre-qualified by the CCI Safety Vendors for its overall safety program and/or its substance abuse testing program prior to beginning the Work. During the term that Contractor is performing any Work for CCI pursuant to a Purchase Order under this Agreement, Contractor shall be under a continuing duty to cooperate with the CCI Safety Vendors which will include but not be limited to Contractor diligently responding with full, complete and accurate information to any request and notifying such CCI Safety Vendor of any circumstances that would lead to a change in any of Contractor's responses to the Pre-selection Questionnaires. Contractor has a duty to satisfy the safety and substance abuse testing requirements of CCI or the CCI Safety Vendors, and CCI and/or the CCI Safety Vendors may audit Contractor for its compliance with its safety and/or substance abuse programs at any point in time. CCI shall have the right to immediately terminate this Agreement and/or any outstanding Work in the event CCI determines, in its sole discretion, that: (a) Contractor is in breach of this Section 7.4, or (b) Contractor's safety program and/or substance abuse testing program is below industry standards or not in compliance with Applicable Law. CCI makes no representation about the quality of services being performed by the CCI Safety Vendors. CCI's use of the CCI Safety Vendors in connection with the Work shall not be construed as CCI assuming responsibility or liability for safety under this Agreement or at law, and does not relieve Contractor from full compliance with its legal and contractual obligations. The CCI Safety Vendors are independent contractors, and any acts or omissions by them shall not be considered an act or omission of CCI; the CCI Safety Vendors are not agents of CCI.

7.5 Sour Gas: It is specifically understood, and by its execution of this Agreement Contractor expressly acknowledges, that the Work may involve exposure to hazardous substances, including but not limited to hydrogen sulfide gas, commonly known as sour gas. Contractor has the duty to notify, provide appropriate safety equipment for and train its employees and the employees of any Subcontractor as to these exposures. Contractor has the duty to monitor a safety program addressing these points when these exposures exist and insist that all safety measures be carried out by all such employees. Contractor will require that all such employees wear the safety equipment when the work contemplates exposure to hazard substances.

7.6 Prohibited Articles: Contractor and any of its employees or other personnel brought to the Site or any CCI location shall not possess or bring onto the Site or any CCI location any illegal drugs, prescription drugs for which the individual has no prescription, legal drugs in excessive amounts, drug paraphernalia, alcoholic beverages, firearms and other weapons, contraband, or stolen property. If any of the above articles are brought onto the Site or any CCI location, the individual possessing the prohibited articles will be ordered off the premises and may not, in CCI's sole discretion, be permitted to re-enter. CCI's personnel may conduct inspections and searches of any individual or property on the Site or any CCI location without prior announcement at such times and at such locations as CCI considers appropriate. Contractor shall inform its employees, Subcontractors and other personnel of the provisions of this Section 7.6 to ensure compliance. If, in

CCI's sole judgment it is desirable, the Contractor at CCI's request shall remove any of Contractor's employees, Subcontractors or other personnel from the Work and/or CCI's Site. **CCI SHALL HAVE NO LIABILITY TO CONTRACTOR AND CONTRACTOR AGREES, WITHOUT LIMIT AND AT ITS OWN COST, TO RELEASE, DEFEND, INDEMNIFY AND HOLD THE CCI GROUP HARMLESS FOR, FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM ANY SUCH REMOVAL.**

7.7 Occurrence of damage or injury: Contractor shall orally report to CCI, as soon as possible, followed by an appropriate written report within 48 hours of the event, all accidents or occurrences resulting in death or injuries to any person, or damage to property of CCI, Contractor or third parties, arising out of or during the course of Work to be performed hereunder. Contractor shall furnish CCI with a copy of all documents and reports prepared by Contractor and submitted to Contractor's management, insurer, governmental authorities or any other party regarding such accidents and occurrences.

8.1 Mutual Indemnification for Bodily Injury, Illness or Death:

8.1.1 CCI. CCI SHALL FULLY RELEASE, DEFEND, INDEMNIFY AND HOLD EACH MEMBER OF CONTRACTOR GROUP HARMLESS FOR, FROM AND AGAINST ALL CLAIMS ARISING OUT OF, RELATING TO, OR CONNECTED WITH THIS AGREEMENT OR THE PERFORMANCE THEREOF AND BROUGHT BY OR ON BEHALF OF ANY MEMBER OF CCI GROUP ALLEGING BODILY INJURY, PERSONAL INJURY, ILLNESS, OR DEATH OF ANY MEMBER OF CCI GROUP OR THEIR INVITEES.

CCI is committed to taking affirmative action to ensure nondiscrimination and attainment of the goals of its Affirmative Action Plan. In addition, Contractor acknowledges that CCI, its Affiliates and contractors, including Contractor, are subject to the FCPA. Contractor agrees that it and its Affiliates will not take any action, or fail to take any action, as appropriate, when Contractor knows, has reason to know or suspects that such act or such failure to act would subject CCI, its Affiliates or any CCI contractor or any of their respective Affiliates to liability under the FCPA or the laws of any applicable jurisdiction dealing with improper or prohibited payments as described in this Section 10.5.

10.6 Indemnity: IN ADDITION TO ANY OTHER REMEDIES UNDER THIS AGREEMENT, CONTRACTOR SHALL, WITHOUT LIMIT AND AT ITS OWN COST, FULLY RELEASE, DEFEND, INDEMNIFY AND HOLD THE CCI GROUP HARMLESS FOR, FROM AND AGAINST ANY AND ALL CLAIMS ARISING OUT OF OR RESULTING FROM CONTRACTOR'S OR ITS SUBCONTRACTORS' BREACH OF ANY REPRESENTATION, WARRANTY, CERTIFICATION OR OBLIGATION PROVIDED FOR IN SECTIONS 10.1 THROUGH 10.5.

11. PACKAGING, SHIPPING AND ACCEPTANCE OF MATERIALS

11.1 Contractor's preparation of Products: Contractor shall: (a) efficiently and timely prepare Products for pick up by the transportation carrier; (b) be responsible for proper shipping papers, packaging, labeling,

marking, placarding and preparation for shipment of Products and all such activities shall be in full compliance with all Applicable Laws, including DOT, OSHA EPA and State law requirements; and (c) include with each shipment or delivery a Material Safety Data Sheet for each item for which a Material Safety Data Sheet is required by Applicable Laws.

11.2 Delivery of Products: All shipments of Products shall be made either F.O.B. Destination or F.O.B. Shipping Point as designated in the Purchase Order.

11.3 Compliance with specifications/right to inspect: Contractor shall not substitute any Products that have been specified by CCI without authority from CCI. CCI reserves the right (payment notwithstanding) to reject and return, at Contractor's risk and expense, that portion of any shipment that may be defective or that fails to comply with CCI's specifications or the warranties set forth in this Agreement and all applicable Purchase Order(s). Neither acceptance nor payment by CCI nor its inspection or failure to inspect limits or excludes CCI's express warranties provided for in this Agreement or any warranties implied by law or waives any of CCI's rights or remedies.

12. WARRANTIES

12.1 Warranties for Services and Products: Contractor represents and warrants that: (a) the Services will be performed in a good and workmanlike manner, in accordance with all specifications for the Services set forth in this Agreement and all applicable Purchase Order(s), and in accordance with accepted industry practices prevailing at the time and place where the Services are being rendered; (b) that, if any Services require certifications or licenses, that the workers performing such Services shall be so certified and/or licensed; and (c) that the product of any Services performed under this Agreement will be free from defects in design, workmanship and materials. Contractor further represents and warrants that any Products furnished under this Agreement are free from defects in design, workmanship and materials, are in compliance with all specifications for Products set forth in this Agreement and all applicable Purchase Order(s), are not counterfeit, and that unless otherwise specified are new and have not been previously used. If prior to completion of any Work or within one (1) year following the completion of such Work (or longer if so specified in the Purchase Order) CCI shall reasonably determine that: (x) Contractor has not performed the Services or supplied Products that are in accordance with the standards set forth in this section; or (y) Contractor has made a material error or omission in the performance of the Services or the provision of Products, then Contractor, at its own expense, shall promptly undertake and complete such corrective action as is necessary to remedy the error, omission, defect, or non-conformance. If Contractor does not complete such required corrective action within the deadline established by CCI following receipt of written notice from CCI that such corrective action is required, then CCI may either perform such corrective action itself or hire one or more third parties to perform such corrective action and Contractor shall be liable to CCI for the cost of such corrective action. No acceptance or payment by CCI shall constitute a waiver of any of the foregoing warranties or Contractor's obligations hereunder.

12.2 Manufacturer's warranties: All manufacturer's warranties and remedies applicable to Products shall be assigned and transferred by Contractor to CCI and Contractor agrees to fully assist and cooperate with CCI in the enforcement of such warranties; provided, however, no such warranty shall in any way relieve Contractor from its obligations to CCI with regard to any warranty under this Section 12.

13. CONFIDENTIALITY

13.1 Confidential information: In order for Contractor to provide Work under this Agreement, it may be necessary for CCI to disclose Confidential Information to Contractor. For a period of three (3) years after the completion or termination of Work under a Purchase Order, Contractor shall receive and maintain in strictest confidence the Confidential Information and will not disclose the Confidential Information to others, except as

otherwise permitted under the terms of this section. Contractor will not use Confidential Information for any purpose other than the performance of the Work and will disclose the Confidential Information only to those of its Representatives whom Contractor considers to have the need to know the Confidential Information for purposes of providing the Work, each of whom shall be informed of the confidential nature of the Confidential Information and agree to comply with the terms of this section and Contractor agrees to be responsible for any breach of this section by such Representatives.

13.2 Exceptions to Confidential Information: The provisions of this section shall not apply to any portion of the Confidential Information that: (a) was developed by Contractor and in Contractor's possession prior to Contractor's first receipt thereof directly or indirectly from CCI; (b) is now or hereafter becomes through no act or failure to act on Contractor's or any of Contractor's Representative's part generally available on a non-confidential basis to the public; (c) was heretofore or hereafter furnished to Contractor by a source other than CCI as a matter of right without restriction on disclosure; or (d) is required by law to be publicly disclosed by Contractor; provided, however, that Contractor timely notifies CCI of any such requirement in order to provide CCI a reasonable opportunity to seek an appropriate protective order, and, in the event such protective order or other remedy is not obtained, Contractor agrees to furnish only that portion of the Confidential Information that Contractor is legally required to furnish.

13.3 Return of Confidential Information: Contractor shall, upon CCI's request, return the Confidential Information to CCI within thirty (30) days following receipt of CCI's request, or certify in writing by an officer or authorized agent of Contractor that the Confidential Information has been destroyed. This provision shall be extended to and required of Contractor's Subcontractors for the specific and expressed benefit of CCI.

13.4 Remedy for Breach: Contractor recognizes that CCI may not have an adequate remedy at law in the event that Contractor, its employees, agents or Subcontractors breach the confidentiality provisions of this Agreement and that, in such event, CCI may suffer irreparable damages or injury. Therefore, CCI shall be entitled to equitable relief, including temporary or permanent injunctive relief against Contractor in the event of a breach of the confidentiality provisions of this Agreement. Such permanent or injunctive relief shall in no way limit other remedies that CCI may have against Contractor for any breach of the terms of these provisions.

14. OWNERSHIP OF INTELLECTUAL PROPERTY; CLAIMS FOR INFRINGEMENT

14.1 Ownership by CCI: All work product developed by Contractor under this Agreement, including designs, technical data, reports, blueprints, drawings and customized tooling and dies, shall be CCI's property and may be used, disclosed, or transferred by CCI in any manner it finds appropriate, other than providing them to a competitor of Contractor for the purpose of helping that competitor develop competing bids against Contractor. Any and all work product shall be considered "Work for Hire" under applicable U.S. Copyright laws and be turned over to CCI upon request or upon completion or termination of Work under a Purchase Order. Contractor will hold the same in confidence pursuant to the terms of Section 13 and will not use it for any purpose other than the performance of the Work.

14.2 Assignment to CCI: All inventions, discoveries, and improvements, patentable and unpatentable, that are made or conceived by Contractor's personnel arising out of the performance of the Work, including all patent rights therein and all copyrights in materials related thereto, both domestic and foreign, shall belong to, and are hereby assigned and shall be assigned by Contractor, Subcontractor(s) and such personnel to CCI or its designee. Contractor and/or Contractor's personnel shall promptly and fully disclose all such inventions, discoveries and improvements to CCI and shall cooperate with CCI or its nominee as may be reasonably required in order to obtain patent protection therefore, including the signing of assignments of inventions and patent rights therein, and the signing of any property affidavits, declarations, patent applications and the like. CCI or its nominee, at CCI's own expense, shall handle the general preparation and prosecution of patent

applications. During such preparation and prosecution, Contractor and/or Contractor's personnel shall be consulted only on technical features that may arise.

14.3 Infringement Warranty and Indemnity: Contractor warrants that the Work and Contractor's work product will not infringe on any copyright, patent, or trade secret. **CONTRACTOR SHALL FULLY INDEMNIFY, DEFEND AND HOLD THE CCI GROUP HARMLESS FOR, FROM AND AGAINST ALL CLAIMS FOR ANY COPYRIGHT OR PATENT INFRINGEMENT OR MISAPPROPRIATION OF A TRADE SECRET, ARISING OUT OF OR RESULTING FROM CONTRACTOR'S OR ITS SUBCONTRACTORS' PERFORMANCE OF THE WORK, INCLUDING CCI'S USE OF ANY DESIGNS OR OTHER WORK PRODUCT DEVELOPED BY CONTRACTOR, AND CONTRACTOR SHALL REIMBURSE THE CCI GROUP FULLY FOR ANY ROYALTIES, DAMAGES OR OTHER PAYMENTS THAT A CCI GROUP SHALL BE OBLIGATED TO PAY.** In the event CCI's use of any work product developed by Contractor is interrupted as a result of such a claim, then Contractor shall either: (a) procure for CCI, at no cost to CCI, the right to continue using the infringing work product as though it were non-infringing; or (b) replace or modify the infringing work product with a work product that is non-infringing and that does not violate the property rights of others. The CCI Group shall have the right to be present and represented by counsel, at its own expense, at all times during litigation or other discussions relating to claims under this provision. Neither Contractor nor a CCI Group shall settle or compromise any such litigation without the consent of the other if such settlement or compromise obligates the other to make any payment or part with any property or assume any obligation or grant any license or other rights or be subject to any injunction by reason of such settlement or compromise.

15. TAXES

15.1 Contractor's responsibility: Contractor shall be fully responsible for reporting and discharging all local, state and federal income or profit taxes or taxes imposed in lieu of an income or profit tax, franchise tax, pension benefits, payroll taxes including social security taxes, employment, disability and other customary insurance and for any other taxes (except sales, use, excise and gross receipts taxes addressed below) or payments, together with any interest and penalties, additions to tax, or additional amounts with respect thereto, which may be due and owing by Contractor or which are the result of fees or amounts paid by CCI to Contractor under this Agreement. **CONTRACTOR SHALL FULLY INDEMNIFY, DEFEND AND HOLD THE CCI GROUP HARMLESS FOR, FROM AND AGAINST ANY CLAIMS RESULTING FROM CONTRACTOR'S OR ITS SUBCONTRACTORS' FAILURE TO PAY ANY TAXES THAT ARE CONTRACTOR'S OR ITS SUBCONTRACTORS' RESPONSIBILITY UNDER THIS SECTION.**

15.2 Taxes related to the Services/Products/Transaction: With respect to federal, state and local sales, use, excise and gross receipts taxes, Contractor is responsible for reporting and discharging taxes statutorily imposed on Contractor. Where such taxes are statutorily imposed on CCI, Contractor shall collect such taxes from CCI, unless CCI presents vendor with a valid exemption certificate. If the Contractor is not required or registered to collect such taxes, CCI shall remit the applicable taxes to the proper taxing jurisdiction. Both Contractor and CCI agree to provide each other with the necessary information to determine the taxability of the charges incurred pursuant to this Agreement, which may include providing support for the breakout of materials from labor where requested.

16. MECHANIC'S LIENS

16.1 Duties and obligations: Contractor shall keep the Facilities, Site, premises of CCI, Products and Work free of all mechanic's, supplier's and materialmen's liens, claims, encumbrances and stop notices, which results from Contractor's Work. Contractor will furnish, upon request, receipts and releases with respect to Work, showing that all cost and expenses of the Work have been paid and that no third party claims, liens, or rights of liens exist by reason thereof against CCI or its property. In the event that any lien, encumbrance or stop notice

is made or filed against the Facilities, Site, premises of CCI, Products or work related to Contractor's provision of the Work, which does not result from CCI's failure to pay Contractor, Contractor shall immediately pay and discharge such lien, encumbrance or stop notice or provide CCI with a bond over such claim in an amount sufficient to fully discharge such lien, encumbrance or stop notice and pay any and all costs, expenses and fees (including a reasonable attorney's fee) which may be incurred by CCI.

16.2 Indemnity: Final payment to Contractor shall not relieve Contractor of its obligation to discharge and release any lien filed before or after Contractor is paid for the Work and **CONTRACTOR AGREES THAT IT IS STRICTLY LIABLE FOR AND SHALL, WITHOUT LIMIT AND AT ITS OWN COST, FULLY INDEMNIFY, DEFEND AND HOLD THE CCI GROUP HARMLESS FOR, FROM AND AGAINST ALL CLAIMS FOR LIENS OR DAMAGES RESULTING FROM THE FILING, PROSECUTION OR EXECUTION OF SUCH LIENS ARISING OUT OF OR RELATED TO THE PERFORMANCE OF THE WORK.**

16.3 Notice: Contractor shall immediately provide written notice to CCI of any and all notices of lien or notices of intent to file a lien that it may receive from any materialmen, mechanic or supplier in relation to the provision of the Work at or upon the Facilities, Site or premises of CCI. Contractor agrees to provide CCI with any and all relevant information and documentation related to any such notice of lien or notice of intent to file lien.

17.1.2 Material Misrepresentation. Any representation made by either CCI or Contractor hereunder shall be deemed false or incorrect in a material respect when made, or deemed false in a material respect at any point in time, if said representation is one which CCI or Contractor has a continuing duty to make.

17.1.3 Bankruptcy. Either CCI or Contractor shall: (a) apply for or consent to the appointment of a trustee, receiver, liquidator, custodian, or the like for itself or its properties, or same is sought without Contractor's consent in any case or proceeding; (b) be unable, or admit in writing the inability, to pay its debts as they mature, or liquidation, reorganization of its debts, dissolution, or winding-up, or the composition or readjustment of its debts, is sought without Contractor's consent in any case or proceeding; (c) make a general assignment for the benefit of its creditors; (d) commence a voluntary case, or have an involuntary case commenced against it, under the chapter of the Bankruptcy Reform Act of 1978 or other applicable legal requirement, or file a petition, answer, or consent seeking reorganization; or (e) take any action for the purpose of effecting, or acquiescing in or to, any of the foregoing.

17.2 Remedies for Default: Except to the extent more limited rights are provided elsewhere in this Agreement, if an Event of Default occurs as defined in Section 17.1, the non-defaulting Party shall provide the defaulting Party with notice of the Event of Default. Following receipt of a notice of an Event of Default, the defaulting Party shall have ten (10) days to cure such Event of Default after receipt of notice thereof from the other Party, provided that if such failure is not capable of being cured within such ten (10) day period with the exercise of reasonable diligence, then such cure period shall be extended for an additional reasonable period of

time, not to exceed thirty (30) days, so long as the defaulting Party is exercising reasonable diligence to cure such failure.

17.3 Termination: Either Party shall have the right to immediately terminate this Agreement for an Event of Default as defined in Section 17.1.3. If the required notice under Section 17.2 was given for an Event of Default as defined in Section 17.1.1 or 17.1.2 and the Event of Default is not cured by the expiration of the corresponding period for cure provided above, then the Party not in default, by notice in writing to the defaulting Party, may, in addition to any other rights and remedies available to it under this Agreement, terminate this Agreement and/or any Purchase Order upon at least thirty (30) days prior written notice to the defaulting Party. Upon termination or expiration of this Agreement, Contractor shall render a final invoice to CCI reflecting all outstanding fees and any outstanding reimbursable expenses incurred prior to termination or expiration. Upon termination of this Agreement and/or any Purchase Order, all rights and obligations hereunder shall terminate, and neither Party shall have any further obligation or liability hereunder to the other Party, except for liabilities that are incurred prior to or upon termination and any other rights, obligations, or liabilities that which, by their nature, are intended to survive termination of the Agreement and/or any Purchase Order.

In the event of any such termination, Contractor shall immediately stop all Work within the allotted time and, unless notified by CCI to the contrary, shall immediately cancel orders and commitments to its suppliers and Subcontractors, and cause all of its suppliers or Subcontractors to cease all work related to the Agreement. In the event of such termination for convenience, CCI shall pay Contractor as a termination charge that portion of the contract price (or, if there is no contract price, that portion of the total consideration specified in the Agreement) equal to the portion of the Work completed to CCI's satisfaction prior to such termination, together with Contractor's actual, reasonable, verifiable direct costs, if any, incurred in closing-out such Work, less any payments made prior to such termination. Contractor shall not be paid for any Work performed after receipt of any such notice of termination relating to such Work, nor for any costs incurred by Contractor's suppliers or Subcontractors that Contractor could reasonably have avoided. Contractor shall have no further claim against CCI on account of such termination.

17.5 Termination of Purchase Order for Convenience of CCI: CCI may terminate any Purchase Order, or any part thereof, at any time and from time to time, for its sole convenience by giving to Contractor, in any manner prescribed in the Agreement for the giving of notices, prior written notice to such effect. Contractor shall not be paid for any Work performed after receipt of any such notice of termination relating to such Work, nor for any costs incurred by Contractor's suppliers or Subcontractors that Contractor could reasonably have avoided. Contractor shall have no further claim against CCI on account of such termination.

18. FORCE MAJEURE

18.1 Force Majeure: In the event either Party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement, other than to make payments then or thereafter due hereunder, it is agreed that on such Party giving notice and full particulars of such Force Majeure in writing to the other Party as soon as possible after the occurrence of the cause relied on, then the obligations of the Party giving such notice, so far as they are affected by such Force Majeure, shall be suspended during the continuance of any inability so caused but for no longer period, and such cause shall as far as possible be remedied with all reasonable and diligent dispatch by the Party claiming such in order to put itself in a position to carry out its obligations under this Agreement. The term “**Force Majeure**” shall mean any causes, whether of the kind herein enumerated or otherwise, not within the control of the Party claiming suspension and which by the exercise of due diligence such Party could not have prevented, including any act of God, any act or omission of any government authority, explosions, fire, riot, war, and in CCI’s case, its need for the Work being reduced. 18.2 No Damages for Delay: In no event shall CCI be liable to Contractor for any damages or increased compensation of any kind for any delay or disruption to Contractor’s performance of Work regardless of whether such delay is caused by CCI, or by other parties under CCI’s control, or by Force Majeure, or by any other cause.

19. AUDIT

This Agreement shall be governed and construed in accordance with the laws of the State of Texas, and any and all disputes hereunder shall be resolved in accordance with the laws of the State of Texas, except for any such law that would direct the application of the law of a different jurisdiction. The Parties consent to personal jurisdiction in any action brought in any court, federal or state, within Harris County, Texas, having personal and subject matter jurisdiction arising under this Agreement and with respect to any such claim the Parties irrevocably waive, to the fullest extent permitted by law, any claim, or any objection they may now or hereafter have, that venue is not proper with respect to any such suit, action, or proceeding brought in such a court in Harris County, Texas, including any claim that such suit, action, or proceeding brought in such court has been brought in an inconvenient forum and any claim that a Party is not subject to personal jurisdiction or service of process in such Harris County forum.

25. SEVERABILITY

If any provision of this Agreement is held to be illegal, invalid, or unenforceable and such invalidity or unenforceability does not have a material and substantial negative impact on the rights, duties and obligations of either Party hereto: (a) such provision will be fully severable; (b) this Agreement will be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable provision or by its severance from this Agreement. Furthermore: (i) in lieu of such illegal, invalid, or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and as may be legal, valid, and enforceable; and (ii) such illegality, invalidity or unenforceability shall not affect the validity or enforceability in that jurisdiction of any other provision of this Agreement nor the validity or enforceability in other jurisdictions of that or any other provision of this Agreement.

26. NON-WAIVER

No waiver by either Party of the performance of any provision, condition or requirement of this Agreement shall be deemed to be a waiver of, or in any manner release the other Party from, performance of any other provision, condition or requirement of this Agreement; nor shall it be deemed to be a waiver of, or in any manner release the other Party from future performance of the same provision, condition, or requirement; nor shall any delay or omission of a Party in exercising any right hereunder in any manner impair the exercise of any such right or any like right accruing to it thereafter. EXHIBIT E - MASTER SERVICES AGREEMENT

CCI's NON-DISCRIMINATION AND HARASSMENT PREVENTION

CCI's goal is to promote and maintain a work environment in which all people are treated with dignity and respect.

CCI prohibits discrimination and harassment on the basis of race, color, religion, national origin, ancestry, sex, sexual orientation, marital status, veteran status, age or disability. Harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward a staff member or a staff member's relatives or associates based on one (1) of these categories.

In accordance with applicable federal and state law, CCI prohibits unwelcome sexual advances or requests for sexual favors or any verbal or physical conduct of a sexual nature on the part of anyone performing services for CCI or doing business with CCI when:

- submission is made explicitly or implicitly a term or condition of employment;
- submission or rejection is used as the basis for employment decisions; or
- the conduct creates an intimidating or offensive work environment that interferes with an individual's work performance.

Acts which may constitute harassment, and which are prohibited when unwelcome, include hugs, touches or kisses and suggestive or lewd remarks, jokes or gestures. Display of posters, cartoons, pictures or drawings which are pornographic or which denigrate others is prohibited. You must exercise good judgment to avoid engaging in conduct that may be perceived by others as harassment.

CCI provides mandatory training regarding the prevention of discrimination and harassment for all employees.

If you feel that you have been subjected to discriminatory treatment or harassment at work, you are encouraged to inform the offending party that you find his or her conduct inappropriate or unwelcome. If you do not feel comfortable approaching the individual directly, or if the offensive behavior persists in spite of a direct communication, you should discuss the problem with a supervisor at your location, the Senior Vice President of Human Resources or the Legal and Compliance Department. Do not allow inappropriate behavior to continue by not reporting it, regardless of who is creating the situation. No one in this organization is exempt from the prohibition of discrimination and harassment.

Complaints of discrimination or harassment will be taken seriously, investigated swiftly, and will be kept confidential to the maximum extent possible. Appropriate disciplinary action, including verbal or written warnings, counseling or termination of employment, will be taken against any staff member determined to have violated CCI's non-discrimination and anti-harassment policies. CCI prohibits any form of retaliation for filing a bona fide complaint under these policies, for assisting in a complaint investigation or for reporting a wrongdoing or unlawful act they have witnessed, which violates CCI's non-discrimination and anti-harassment policies.
